## Wines of the Month Club

Each month, members of Après Wine Company's Wines of the Month Club receive selections from international world-class boutique vineyards. Unlike winery clubs that focus only on their own brands, usually from specific regions, we feature selections from around the globe. Our goal is to introduce you to vintners and varietals that you might not discover on your own.

So travel to the great wineries of the world from the comfort of Tahoe with Après Wine Company! Create a year-round gift by giving a friend an Après Wine Club membership.

### WINES OF THE MONTH CLUB PLANS

We offer three tiers suited to your budget. Each level includes two bottles of wine exclusively discounted to Wines of the Month Club members. Club selections will include red, white and sparkling wines, tailored to the seasons. For example, in February (Valentine's Day) or December, one bottle might be a sparkling wine. In winter months there will be more red wines in the plans.

**Easy Rider Club - \$29.99/month, plus tax:** We search the globe for rare wines with great flavor and small price tags. We do the work, you enjoy the wine.

**Slalom Club - \$59.99/month, plus tax:** There is no question phenomenal wine with big price tags can make you very popular at a cocktail party but what about spending half that for the same impressive quality?
